Please send supplies to school with your child on the **FIRST** day! The desks do not hold all the textbooks that we need, therefore I have included a milk crate on the supply list. The milk crate will be used to hold your child's textbooks so that he/she will have ample room in his/her desk to store their other supplies. Hopefully this will help your child to be better organized and able to keep up with his/her work. We are excited about teaching your child next school year. Hope you have a wonderful summer together.
